- W: 450mm
- D: 530mm
- H: 870mm
- Seat (H): 750mm
- Seat (H) Upholstered: 760mm

General Care Certificates

The Lolli collection meets or exceeds ANSI/ BIFMA X5.1. Materials meet or exceed ANSI/ BIFMA M7.1 VOC emissions standards for office furniture.

CLEANING & CARE

–
The furniture should be regularly cleaned with a soft, dry cloth in the direction of the wood grain. If required, a damp, soft cloth may be used. Do not use abrasive, ammonia, bleach, spirit or oil-based cleaners, including D10 sanitiser. Periodically check and tighten hardware as necessary. Any lost bumpers or feet should be replaced as soon as possible to avoid damage to the furniture or the floor surface.

UPHOLSTERY

–
Upholstered furniture gets dusty and this can dull the colours and reduce the life of fabrics. Lightly vacuum or brush regularly but never use a stiff brush as this could damage the fibres. If you spill something on the upholstery, wipe excess liquid up immediately with a clean absorbent cloth. Then follow the fabric manufacturers cleaning instructions.

WOOD FINISHES

–
The fine finish applied during manufacture is a hard protective lacquer resistant to moderate heat and spillages of some beverages, but not alcohol. All spillages should be wiped off immediately with a slightly damp cloth to avoid any permanent staining.

For general routine cleaning, simply dust and wipe your veneered surfaces with a soft, damp, lint-free cloth. Dry immediately using a soft and clean cloth. Always wipe surfaces in the direction of the wood grain. More stubborn stains can generally be removed by applying a mild, lukewarm non-abrasive soap solution using a soft lint-free cloth, gently rubbing over the stain working up a thin lather. Take care not to apply too much liquid and remember to always rub in the direction of the wood grain. Dry immediately using a clean soft cloth.

POWDER COATED METAL PARTS

–
Clean with lukewarm soapy water and rinse off with clean water. Wipe the entire surface with a clean, dry cloth.

SAFETY WARNINGS

–
Furniture can be dangerous if improperly

assembled or installed. Assembly should be completed by a qualified person following the provided assembly instructions.

Do not stand on furniture, as it could cause a fall. With assistance of another person, always lift, do not drag large or heavy furniture into position.

Warranty

Workstories Ltd offers a 5-year warranty on our M.A.D range.

This applies only if products have been used within and by standard office conditions. Wear and tear must be expected from normal use and are not covered by the warranty.

Environmental Practices

Workstories is dedicated to being environmentally conscious. We strive to ensure the continued availability of natural resources for current and future generations, and as part of our mission, we recognise the responsibility to protect human health and the environment, and to continually improve our operations.

To carry out this commitment, it is our policy to ensure all our factories:

Meet or exceed the requirements of all environmental laws and regulations applicable to our operations.

Limit our impact on the environment to the extent practicable and work to reduce recognised environmental risks to our employees and the communities in which we operate by employing safe technologies and operating procedures.

Continually assess our environmental programs and monitor our environmental performance.

Have operating policies and programs in place to implement our Environmental Quality Policy.
