S30 Task chair

Designed by **BESTUHL**

Mesh back, fabric seat,
Height adjustable armrests,
Multi-locking synchronous
mechanism with tension adjust,
Adjustable lumbar support,
Seat slide adjustment,
Seat height adjustment.

S30 Task chair – Operations

OPERATIONS

LUMBAR SUPPORT
–
Adjust vertically the position of the lumbar support bar to the desired position.

SEAT HEIGHT
–
When elevating the height of the seat, lift the second right-hand lever (when seated) vertically, then release it at the height desired. When lowering the height of the seat, sit on the centre of the chair then lift the lever vertically and release it at the desired height.

**SYNCHRONOUS MECHANISM:
ADJUSTING THE STRENGTH OF
THE BACK TILT**
–
Rotate the lever underneath the seat clockwise to increase the strength of the tilting, counter-clockwise to reduce it.

**SYNCHRONOUS MECHANISM:
SEAT BACK TILT LOCK MECHANISM**
–
The tilt mechanism can be locked or released with the left-hand lever (when seated). It can be set to an upright position or locked in place in a variety of reclined positions.

ARMREST: ADJUSTING THE HEIGHT
–
To adjust the height of the armrests, push the button located on the side of the left/right arm pads.

ADJUSTING THE SEAT DEPTH
–
To adjust the depth of the seat lift the first left-hand lever (when standing) vertically, and move the seat with your other hand to your desired position. Please do so from a standing position.

Finishes Materials

Frame/Mesh – Black/Black, White/Black, Black/Dark Grey

D: 561mm

H: 960mm - 1100mm
Seat (H): 420mm – 550mm

Warranty

Workstories Ltd offers a 5-year warranty on our Bestuhl range.

This applies only if products have been used within and by standard office conditions. Wear and tear must be expected from normal use and are not covered by the warranty.

General Care

MESH & COVER FABRIC

–
To care for mesh & cover fabrics, simply Hoover dust and lint regularly using an upholstery nozzle. Any fresh stains can typically be removed by wiping immediately with an absorbent, lint-free sponge or cloth. Start from the outer edge of the stain and work inwards to avoid creating a halo effect, using normal household distilled water to prevent limescale residue.

PLASTIC

–
Please use a soft, damp, non-abrasive cloth for cleaning plastic. Subsequent gentle drying is recommended. For stain removal, we recommend using a mild commercially available cleaner. Never use abrasive cleaning agents such as powders or pastes, or aggressive all-purpose cleaners like alcohol, as these may damage the surface. We recommend that you avoid exposing your chair to the sun for any longer than is necessary.

SAFETY WARNINGS

–
Periodically check and tighten hardware as necessary. Any lost bumpers or feet should be replaced as soon as possible to avoid damage to the furniture or the floor surface.

Furniture can be dangerous if improperly assembled or installed. Assembly should be completed by a qualified person following the provided assembly instructions.

Do not tilt, or lean back on the chair legs, as this could result in a fall. Do not stand on furniture, as it could cause a fall. With assistance of another person, always lift, do not drag large or heavy furniture into position.

Environmental Practices

Workstories is dedicated to being environmentally conscious. We strive to ensure the continued availability of natural resources for current and future generations, and as part of our mission, we recognise the responsibility to protect human health and the environment, and to continually improve our operations.

To carry out this commitment, it is our policy to ensure all our factories:

Meet or exceed the requirements of all environmental laws and regulations applicable to our operations.

Limit our impact on the environment to the extent practicable and work to reduce recognised environmental risks to our employees and the communities in which we operate by employing safe technologies and operating procedures.

Continually assess our environmental programs and monitor our environmental performance.

Have operating policies and programs in place to implement our Environmental Quality Policy.

Workstories guarantees limited carbon footprint for our products. Workstories is a full member of FIRA and FISP. We hold FSC, ISO9001 and ISO14001 certifications.
