MADE IN  
THE UK

atelier

# Settle

Designed by **ATELIER**

The Settle collection is crafted with precision, its sturdy frame being constructed from solid steel bars, meticulously welded together to form a robust foundation. Resting upon the frame, the drop-in steel tabletop or planter take centre stage, captivating with its seamless integration and flawless finish.

Available in 2 coffee table sizes, a side table and a planter

**Frame** – Black as standard. Bespoke powder-coating available P.O.A.

Top/Planter and frame can be contrasting.

# Materials

**Top** – Steel  
**Frame** – Steel

Warranty

Workstories Ltd offers a 5-year warranty on our Atelier range.

This applies only if products have been used within and by standard office conditions. Wear and tear must be expected from normal use and are not covered by the warranty. Manufacturer's warranty applies to all fabrics.

General Care

STEEL

Our steel is considered to be maintenance free. However, where cleaning of the frame is required, a mild detergent solution should be used. Use of harsh abrasives, acids, alkalis or bleaching products is not recommended.

CLEANING & CARE

The furniture should be regularly cleaned with a soft, dry cloth. If required, a damp, soft cloth may be used. Do not use abrasive, ammonia, bleach, spirit or oil-based cleaners, including D10 sanitiser. Periodically check and tighten hardware as necessary.

SAFETY WARNINGS

Furniture can be dangerous if improperly assembled or installed. Assembly should be completed by a qualified person following the provided assembly instructions.

Do not stand on furniture, as it could cause a fall. With assistance of another person, always lift, do not drag large or heavy furniture into position.

Environmental Practices

Workstories is dedicated to being environmentally conscious. We strive to ensure the continued availability of natural resources for current and future generations, and as part of our mission, we recognise the responsibility to protect human health and the environment, and to continually improve our operations.

To carry out this commitment, it is our policy to ensure all our factories:

Meet or exceed the requirements of all environmental laws and regulations applicable to our operations.

Limit our impact on the environment to the extent practicable and work to reduce recognised environmental risks to our employees and the communities in which we operate by employing safe technologies and operating procedures.

Continually assess our environmental programs and monitor our environmental performance.

Have operating policies and programs in place to implement our Environmental Quality Policy.
