D: 850
H: 460

MEDIUM POUF

W: 800
D: 850
H: 460

Orlo seating units can be linked together to create an infinite variety of layout configurations. Linking brackets are included and will be added to the modules as needed - to ensure we interpret your requirements correctly, we will require a plan drawing of your layout. Note the brackets are fitted to the side of the module and will show if the modules are separated.

CERTIFICATES

Orlo is crafted from recycled and FSC-certified timber.

Workstories guarantees limited carbon footprint for our products. Workstories is a full member of FIRA and FISP. We are FSC® certified (FSC-C168498), and we hold ISO9001 and ISO14001 certifications. Please ask about our FSC certified products.

CLEANING & CARE

The furniture should be regularly cleaned with a soft, dry cloth in the direction of the wood grain. If required, a damp, soft cloth may be used. Do not use abrasive, ammonia, bleach, spirit or oil-based cleaners, including D10 sanitiser. Periodically check and tighten hardware as necessary. Any lost bumpers or feet should be replaced as soon as possible to avoid damage to the furniture or the floor surface.

UPHOLSTERY

Upholstered furniture gets dusty and this can dull the colours and reduce the life of fabrics. Lightly vacuum or brush regularly but never use a stiff brush as this could damage the fibres. If you spill something on the upholstery, wipe excess liquid up immediately with a clean absorbent cloth. Then follow the fabric manufacturers cleaning instructions.

SAFETY WARNINGS

Furniture can be dangerous if improperly assembled or installed. Assembly should be completed by a qualified person following the provided assembly instructions.

Do not tilt, or lean back on the chair legs, as this could result in a fall. Do not stand on furniture, as it could cause a fall. With assistance of another person, always lift, do not drag large or heavy furniture into position.

GENERAL CARE

WARRANTY

Workstories Ltd offers a 5-year warranty.

This applies only if products have been used within and by standard office conditions. Wear and tear must be expected from normal use and are not covered by the warranty.

ENVIRONMENTAL PRACTICES

Workstories is dedicated to being environmentally conscious. We strive to ensure the continued availability of natural resources for current and future generations, and as part of our mission, we recognise the responsibility to protect human health, the environment, and natural resources, and to continually strive to improve the environmental quality of our operations.

To carry out this commitment, it is our policy to ensure all our factories:

Meet or exceed the requirements of all environmental laws and regulations applicable to our operations.

Limit our impact on the environment to the extent practicable and work to reduce recognised environmental risks to our employees and the communities in which we operate by employing safe technologies and operating procedures.

Continually assess our environmental programs and monitor our environmental performance.

Have operating policies and programs in place to implement our Environmental Quality Policy.
